CANGO celebrated its 30th birthday in 2022. During the past 30 years, CANGO has given full play to its platform advantages, and achieved impressive outcomes in developing international NGO cooperation, promoting gender equality, responding to global climate change, and so on. Give2Asia and CANGO met in 2019 and started a partnership in 2020 in the Visionary Education Program. We have become important partners of each other even in only a couple of years. In these critical years of CANGO's transformation, we witnessed its breakthrough and innovation that led CANGO to a more open, professional, and high-standard direction. In a year with more opportunities in international communication and exchange, we wish CANGO to further lead Chinese NGOs to a broader international stage and make contributions to the world. Give2Asia also looks forward to developing our cooperation with CANGO in more fields to achieve mutual success and common development.

Ms. Ting XU, Senior Legal Policy Adviser of ClientEarth Beijing Office

It has been more than a decade since we established relations with CANGO via the Civil Climate Action Network (CCAN). Over the decade, we have witnessed and participated in a series of projects implemented by CANGO to enhance the capacity building, international exchanges and collaboration of Chinese environmental NGOs as a platform to promote the development of domestic public welfare, as well as international exchanges and cooperation. Looking ahead, with the proposition of China's carbon peaking and carbon neutrality goals, the development of the "1+N" policy system, as well as the implementation of the 14th Five-Year Plan for the Development of Social Organizations, I expect to continue working with CANGO to promote the active participation of Chinese environmental NGOs in addressing climate change, and to contribute to the development of a multi-subject climate governance system.

Mr. Hao XIN, Secretary General of Green Zhejiang

As a member of CANGO, Green Zhejiang has been supported to participate in China-EU NGO exchange program and in the United Nations Climate Change Conference, which has enabled us with a more international perspective and opportunities to increase our awareness of global issues such as climate change and biodiversity at an early stage. In 2022, we participated in the Carbon Neutrality Public Communication-Local Social Organizations Support 3060 Target project launched by CANGO to mobilize all sectors of society to contribute to the "Dual Carbon" goal in China. In 2023, we will continue to be active and make efforts to enhance our abilities in content creation, public communication, and multi-stakeholder influence in the implementation of the SDGs. —— 副理事长兼主任 陈太勇

热烈祝贺中国民促会成立三十周年!我有幸在中国民促会成立之初就知道并见证其不断发展和转型。当年中国民促会链接很多国际组织进入中国支持国内的各项公益事业,催生国内很多草根公益机构并促进其发展。可以说,中国民促会对中国公益事业的发展做出了重要贡献。当前,在我国进入建设中国式现代化的新时代之际,在中国社会组织积极参与乡村振兴并跟随“一带一路”战略走出去的关键时刻,中国民促会又在联络协调中国民间组织整合社会力量和资源贡献国家、服务社会、服务人民方面发挥新的作用。海惠作为一个长期扎根乡村社区发展、现在积极参与乡村振兴和跟随“一带一路”走出的中国社会组织,很荣幸作为中国民促会的会员参与相关活动和项目,与各位会员一道互帮互助,携手共进,一起推动中国公益事业迈向更好更高更远,共同展现中国民间公益组织的美好形象和重要作用!中国公益有民促,三十功名卓而著。携推会员海内外,再创辉煌促带路!

Mr. Taiyong CHEN, Vice Chairman and Director of Sichuan Haihui Poverty Alleviation Service Center

Congratulations on the 30th anniversary of the founding of CANGO! I was fortunate to know CANGO in its early days, and have witnessed its constant development and transformation. At that time, CANGO brought in many international organizations in support of public welfare in China, leading to the emergence of many grassroots social organizations in China, and has made significant contributions to their development. Now, in the new era of building a Chinese path to modernization, at the crucial moment when Chinese social organizations are taking active part in rural revitalization and going global under the Belt and Road initiative, CANGO is playing a new role in coordinating with Chinese CSOs to contribute to the country and serve the society and the people. Haihui is honored to participate in relevant activities and projects as a member of CANGO, and work together with other members to promote the development of public welfare in China, and show the favorable image and vital role of Chinese social organizations. China's public welfare is blessed with CANGO that enjoys a great fame of 30 years. Go global together and achieve new success under the Belt and Road initiative!

—— 副理事长 白晓荣

甘肃兴邦在十八年的成长里程中,离不开中国民促会的一路陪伴与支持,尤其在社会组织能力建设领域的支持,使甘肃兴邦“携手同道,公益兴邦”的使命更加坚定。中国民促会在社会性别发展、社会组织走出去、社区治理与政策倡导等领域的支持,为甘肃兴邦的发展拓宽了视野。2022年,甘肃兴邦在云端参与中国民促会关于组织战略规划、国际合作、性别发展等领域的各项活动,在不确定的时光里与中国民促会携手同行。期待未来与中国民促会继续携手,开展更多领域的合作,为实现平等、多元、包容的美好社会共同努力。祝中国民促会在新的一年守正创新,勇毅前行。

Ms. Xiaorong BAI, Vice Chairperson of Gansu Xingbang Social Work Serving Center

The growth of Gansu Xingbang over the past 18 years has been inseparable from the support of CANGO, especially its support in capacity building for social organizations, which has enhanced the center's sense of mission of "working together for common good". CANGO's support in fields such as gender mainstreaming, the globalization of social organizations, community governance and policy advocacy has broadened the center's horizon for development. After participating in CANGO's online activities concerning organizational strategic planning, international cooperation and gender equality in 2022, Gansu Xingbang will go hand in hand with CANGO in the uncertain period to come. We expect to work with CANGO in more fields to create a society of equality, diversity and inclusiveness. May CANGO keep to the right path, make innovations and advance with vigor in the new year.

Work Summary in 2022

The year 2022, which marks the 30th anniversary of CANGO, is a year worthy of going down in the history of the organization. Under the leadership of the Board, all the staff of the Secretariat worked together to write a wonderful chapter in 2022 with the strength of unity and cooperation.

I. Implemented the Five-year Strategic Plan

In 2022, CANGO formulated a Five-year Strategic Plan (2022-2026). To support its implementation, the Secretariat set up four strategy implementation working groups, including human resources, financing, communication and brand, and promoted its implementation with the support of external experts.

II. Further standardized the internal governance

In 2022, one meeting of the Board and two meetings of the Executive Board were held to discuss and review the organization development strategy, system construction, annual work plan and succession plan. 19 staff capacity building trainings were organized, including spokesperson, human resources, project management, and comprehensive budget management, etc. The online financial system went online for electronic financial management. CANGO also participated in the evaluation of national social organizations of the Ministry of Civil Affairs, and was rated as 4A Level national social organization again.

III. Improved the project performance by tackling difficulties

In 2022, the total project revenue was RMB 7,639,500, and the total project expenditure was RMB 8,670,800. After decoupling, CANGO has no professional supervisory unit, bringing certain challenges to its cooperation with overseas NGOs. The Secretariat actively developed domestic partners, including China Green Carbon Foundation, Ditan360.com, and China Soong Ching Ling Foundation and so on.

IV. Celebrated the 30th anniversary and innovative institutional communication

On July 22, 2022, CANGO organized the 30th anniversary celebration via online and offline mode. The first video promo of the organization was released, and all employees and their families sang Chinese songs "Running" and "Thank You" to express their gratitude. Leaders from authorities, experts and scholars, domestic and foreign partners, member organizations and former employees sent congratulatory

messages, and the staffs of the Secretariat were greatly encouraged.

V. Gave full play to the platform advantages and actively participated in global governance

CANGO dispatched personnel to Geneva and Sharm el-Sheikh to attend the UN Human Rights Council and the UN Climate Change Conference and held a series of activities. It also supported member organizations to participate in the UN Convention on Biological Diversity and hold China Pavilion. CANGO signed the *Joint Declaration of International Civil Society Organizations on Implementing Global Development Initiatives*, and joined the International Civil Poverty Reduction Cooperation Network initiated by China NGO Network for International Exchanges. It also participated in the Civil Society 20 (C20) and BRICS Civil Forum to share China's experience.

VI. Innovated the service contents by grasping the demand of member organizations

Members are the precious wealth of CANGO. The Secretariat has appointed special personnel to take charge of member services, and understood the needs of members through questionnaires and interviews. Based on the rights and obligations of members, it aims to standardize services and improve service quality. With the joint efforts of CANGO and its members, the membership of CANGO has been rebuilt to realize mutual support and common development.

Work Plan for 2023

Looking forward to 2023, the Secretariat will, under the leadership of the Board, implement the new development strategy, give full play to the platform advantages, and contribute to the development of member organizations and civil society.

I. Promote the sound development of organization starting from Party building

The guidance of Party building will be promoted in all work to develop Party members and inject strength. A good interaction and information sharing mechanism between the Board of CANGO and the Party branch, and a linkage mechanism between the Party branch and the labor union will be established. Political risks in foreign exchanges and cooperation should not be overlooked, so that employees' awareness of risk prevention and control and ability to cope with risks should be further cultivated.

II. Steadily implement the strategic plan

According to the direction of the organization's strategic planning, all staff of the Secretariat will participate in promoting the strategy implementation. Focusing on the strategic positioning of "international hub" and "going global platform", the Secretariat will define phased goals and indicators.

III. Gradually improve the human resources management policy

A set of perfect human resource management policies will be prepared according to the strategic planning to improve post setting, and clarify post responsibilities and performance appraisal indicators. CANGO will strengthen staff ability training and team building, provide guidance for young employees' career development, and mobilize employees' enthusiasm and creativity.

IV. High-level project financing and management

According to the business direction determined in the strategic plan, project financing will be organized in a manner of optimizing the structure and stability of funding sources. The first responsible person will be defined for project management to strictly control all links and potential risks, improve project output quality and social benefits, and make project results benefit more beneficiary groups.

V. Promote social organizations to go global and reach a new level

According to the strategic positioning, CANGO will promote the research on going global, explore the construction of going global platform and mechanism, and continue to support domestic social organizations to participate in global governance. It will further participate in international conferences of the United Nations system and multilateral platforms, and improve the participation and contribution of domestic social organizations in C20 and Civil BRICS Forum.

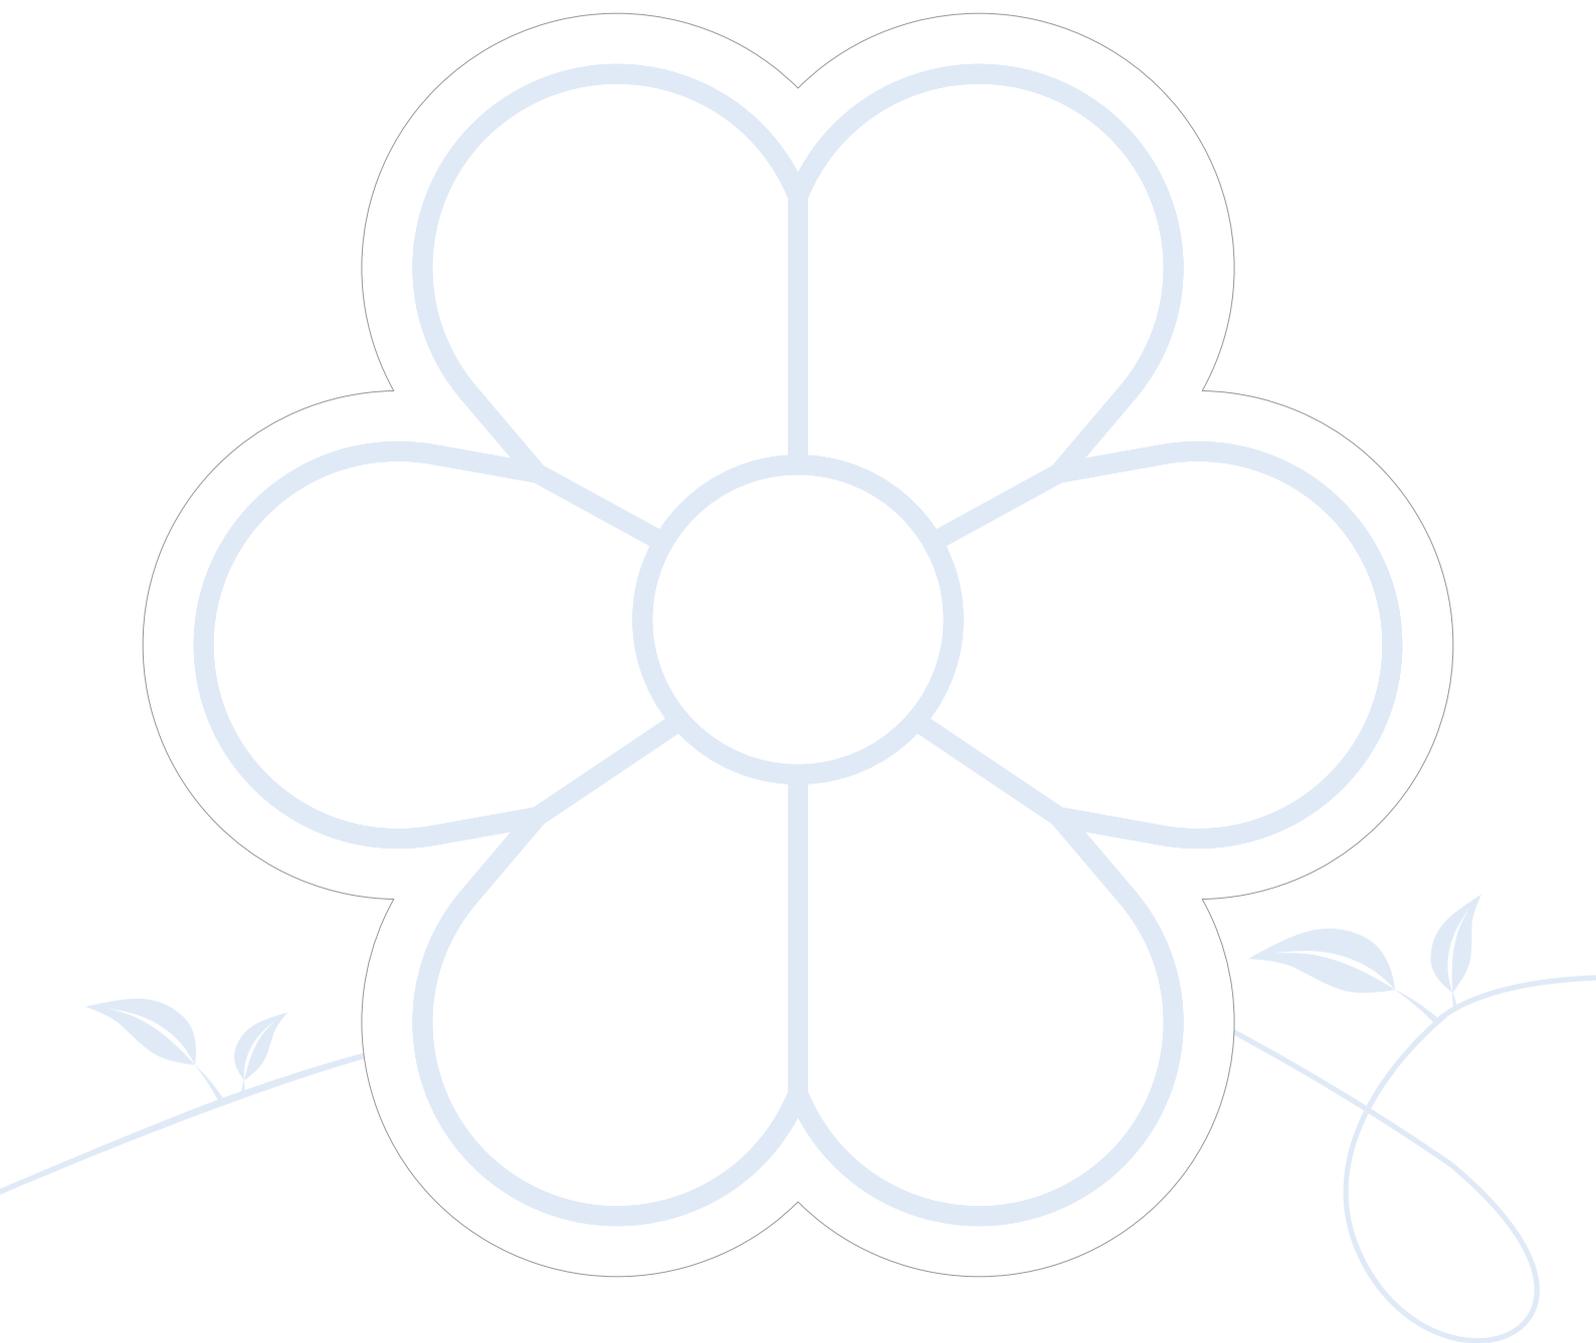

VI. Achieve new breakthroughs in communication and brand building

With rich international work experience, CANGO will promote the excellent cases to be known and used by more governments, enterprises and social organizations at home and abroad. It will also use the advantages of UN consultative status to build a platform for Sino-foreign cooperation, and create international public welfare brand with Chinese civil characteristics.

审计报告

嘉润审字(2023)034号

中国国际民间组织合作促进会:

一、审计意见

我们审计了中国国际民间组织合作促进会(以下简称中国民促会)财务报表,包括2022年12月31日的资产负债表,2022年度的业务活动表、现金流量表以及相关财务报表附注。

我们认为,后附的财务报表在所有重大方面按照《民间非营利组织会计制度》的规定编制,公允反映了中国民促会2022年12月31日的财务状况以及2022年度的经营成果和现金流量。

二、形成审计意见的基础

我们按照中国注册会计师审计准则的规定执行了审计工作。审计报告的“注册会计师对财务报表审计的责任”部分进一步阐述了我们在这些准则下的责任。按照中国注册会计师职业道德守则,我们独立于中国民促会,并履行了职业道德方面的其他责任。我们相信,我们获取的审计证据是充分、适当的,为发表审计意见提供了基础。

三、其他信息

中国民促会管理层对其他信息负责。其他信息包括年度报告中涵盖的信息,但不包括财务报表和我们的审计报告。

我们对财务报表发表的审计意见不涵盖其他信息,我们也不对其他信息发表任何形式的鉴证结论。

结合我们对财务报表的审计,我们的责任是阅读其他信息,在此过程中,考虑其他信息是否与财务报表或我们在审计过程中了解到的情况存在重大不一致或者似乎存在重大错报。

基于我们已执行的工作,如果我们确定其他信息存在重大错报,我们应当报告该事实。在这方面,我们无任何事项需要报告。

四、管理层对财务报表的责任

中国民促会管理层(以下简称管理层)负责按照《社会团体登记管理条例》和《民间非营利组织会计制度》的规定编制财务报表,使其实现公允反映,并设计、执行和维护必要的内部控制,以使财务报表不存在由于舞弊或错误导致的重大错报。

在编制财务报表时,管理层负责评估中国民促会的持续经营能力,披露与持续经营相关的事项(如适用),并运用持续经营假设,除非管理层计划清算中国民促会、终止运营或别无其他现实的选择。

五、注册会计师对财务报表审计的责任

我们的目标是对财务报表整体是否不存在由于舞弊或错误导致的重大错报获取合理保证，并出具包含审计意见的审计报告。合理保证是高水平的保证，但并不能保证按照审计准则执行的审计在某一重大错报存在时总能发现。错报可能由于舞弊或错误所导致，如果合理预期错报单独或汇总起来可能影响财务报表使用者依据财务报表作出的经济决策，则通常认为错报是重大的。

在按照审计准则执行审计的过程中，我们运用了职业判断，并保持了职业怀疑。同时，我们也执行以下工作：

(一) 识别和评估由于舞弊或错误导致的财务报表重大错报风险，设计和实施审计程序以应对这些风险，并获取充分、适当的审计证据，作为发表审计意见的基础。由于舞弊可能涉及串通、伪造、故意遗漏、虚假陈述或凌驾于内部控制之上，未能发现由于舞弊导致的重大错报的风险高于未能发现由于错误导致的重大错报的风险。

(二) 了解与审计相关的内部控制，以设计恰当的审计程序，但目的并非对内部控制的有效性发表意见。

(三) 评价管理层选用会计政策的恰当性和作出会计估计及相关披露的合理性。

(四) 对管理层使用持续经营假设的恰当性得出结论。同时，根据获取的审计证据，就可能对对中国民促会持续经营能力产生重大疑虑的事项或情况是否存在重大不确定性得出结论。如果我们得出结论认为存在重大不确定性，审计准则要求我们在审计报告中提请报表使用者注意财务报表中的相关披露；如果披露不充分，我们应当发表非无保留意见。我们的结论基于截至审计报告日可获得的信息。然而，未来的事项或情况可能导致中国民促会不能持续经营。

(五) 评价财务报表的总体列报、结构和内容（包括披露），并评价财务报表是否公允反映相关交易和事项。

我们与管理层就计划的审计范围、时间安排和重大审计发现等事项进行沟通，包括沟通我们在审计中识别出的值得关注的内部控制缺陷。

截至 2022 年 12 月 31 日止，中国民促会财务状况如下：

资产总额：10,125,999.64 元；

负债总额：355,758.60 元；

净资产合计：9,770,241.04 元；

本年净资产变动额：-1,165,576.82 元。

2022 年度总收入：7,701,265.01 元，总支出 8,866,841.83 元。

AUDITORS' REPORT

JRSZ (2023) No.034

To China Association for NGO Cooperation :

I. Auditor's Opinion

We have audited the financial statements of China Association for NGO Cooperation (hereinafter referred to as "CANGO"), which comprise the balance sheet as of December 31, 2022, the related operational activities statement for the year, the statement of cash flows for the year, and notes to the related financial statements.

In our opinion, the accompanying financial statements of CANGO comply with the requirements of the Accounting System for Nongovernmental Nonprofit Organization in all material respects, and present fairly the financial position of CANGO as of December 31, 2022, the results of operational activities and cash flows for the year.

II. Basis for Opinion

We conducted our audit in accordance with the Auditing Standards of Chinese Certified Public Accountants. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of CANGO in accordance with the China Code of Ethics for Certified Public Accountants, and we have fulfilled our other ethical responsibilities. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

III. Other Information

The Management of CANGO is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

IV. Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management of CANGO is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations on the Registration of Social Organizations and Accounting System for Non-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing CANGO's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate CANGO or to cease operations, or has no realistic alternative but to do so.

V. Certified Public Accountants' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the audit standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the audit standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the representative office's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on CANGO's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause CANGO to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
